Counseling students are required to complete an online exit survey during the final semester.

Additional Licensure Requirements

Students seeking licensure in Virginia will need to complete training in emergency first aid, cardiopulmonary resuscitation (CPR), and the use of automated external defibrillators (AED). Students will need to provide documentation of completion of this training, which is usually an official card. Training courses are offered by the American Red Cross and the American Heart Association.

Students will also need to provide a social security number (SSN) in order to be eligible for a VA license.
