Frequently Asked Questions are linked here ([https://www.wm.edu/offices/financialoperations/sa/\\_documents/cdsp-fees-faq.pdf](https://www.wm.edu/offices/financialoperations/sa/_documents/cdsp-fees-faq.pdf)) (PDF).

Students carrying an approved underload may receive a reduction in tuition but must pay the full mandatory general fees. Flexible Degree Track students will be charged based on credit hour status (full-time or part-time). Flex track students registered for 12 or more hours will pay the full-time undergraduate tuition and fee rate.

## Special Fees and Programs

Additional fees are charged for Applied Music lessons, science labs, art, some Human Health and Physiology courses, etc.

The Applied Music lesson fee is \$453.00 per credit hour. Students who take music lessons during the add/drop period prior to adding or dropping an Applied Music course will be charged a pro-rated fee, equal to 1/12 of the Applied Music fee (\$453.00), for each lesson a student receives.

Fees for special courses are determined by the demand and arrangements, which are necessary to support such courses. Classes carrying fees have a notation in PATH.

## Special Fees Are Non-Refundable

Additional tuition and fees may be charged for some special programs at the university.

Students who plan to participate in William & Mary study abroad programs are required to register with the Global Education Office. All college students in good academic, social and financial standings are eligible to participate.

## Billing

The Bursar's Office generates eStatements each month for any account with a previous balance or with new activity. Payment is due in full by the due date on the statement.

Included on the eStatement are charges for tuition and fees, room, meal plans, and other miscellaneous charges such as lab fees, music fees, orientation fees, etc. Student account charges are due by the established payment deadlines. Failure to pay the balance due and/or to provide the required information for pending financial aid by the established payment deadlines may result in the assessment of a late fee, the loss of financial aid and/or a restrictive hold being placed on the student's account.

For currently enrolled students, the eStatement is generated electronically. No paper bills are issued to students or parents.

An email is sent to the student's W&M email address and to the authorized payer's email address (provided in eServices) when a bill has been generated and is ready for viewing. As a reminder, it is a violation of the university's Acceptable Use Policy to provide your password to a third party under any circumstances. Third parties may be set up as authorized users in Banner Self Service/eServices.

Students who choose to participate in the university's monthly payment plan will not be issued a monthly billing statement. Due dates for tuition plan participants are established at the time of enrollment in the tuition payment plan.

## Payments

### Payment of Student Account

Charges for tuition and fees, residence hall, meal plan and miscellaneous fees are payable by the due date each semester. Registration is not final until all fees are paid and may be canceled if a student's account is not paid in full by the due date, as established by the Office of the Bursar. Accounts not paid in full by the established due date will be assessed a late payment fee of 10% of the outstanding balance up to a maximum of \$100.00.

Study abroad fees, due dates, and late fees vary. Please consult the Global Education Office website for details (<https://www.wm.edu/studyabroad>).

### Payment Methods

Payment may be made in U.S. dollars only by cash; check, money order or cashier's check made payable to The College of William & Mary. Payments by cash or check are accepted at the Cashiers Office in Blow

Hall. Payment by check may also be made via the U.S. Postal Service. A check returned by the bank for any reason will constitute nonpayment and may result in late fees or collections. Payment online via credit card—American Express, Discover, VISA and MasterCard—is also available in eServices. Credit cards are accepted for online payments only. The university does not accept credit cards for ‘in-person’ payments or over the phone. A convenience fee is charged for payments made via credit card. Payment may also be made online via an electronic (web) check. There is no fee for paying online via electronic (web) check. Additional information may be obtained from the Bursar’s Office website at <https://www.wm.edu/offices/financialoperations/sa/>

Any past due debt owed the university, (emergency loans, parking, health services, library fines, etc.), may result in late fees or collections, withholding of transcripts and diplomas, and non-conferral of degree. In the event a past due account is referred for collection, the student will be charged all collection and litigation costs, in addition to the university’s late payment fee.

## Tuition Payment Plans

To assist with the payment of educational costs, the university offers the option of an Interest-Free Monthly Payment Plan for the fall and/or spring semesters of the academic year. This monthly payment plan allows you to spread your expenses for tuition, room and board, and other miscellaneous expenses charged on the student account into 4 monthly installments per semester. A non-refundable application fee in the amount of \$50.00 per semester is charged during the enrollment process for the payment plan.

Additional information, including plan highlights and FAQs, may be found on the Bursar’s Office website at <https://www.wm.edu/eservices> under the “Tuition Payment Plan” link.

## Credit for Scholarships

Students who have been awarded financial aid are required to pay any amount not covered by the award by the established semester payment due date to avoid being charged a late payment fee. Please notify the Office of the Bursar and Financial Aid of any scholarships or resources you have received from organizations or persons outside William & Mary at least 1 week before the billing due date. This form is also used to request that W&M Student Accounts send an invoice to scholarship donors. Please be aware this form will require the student to log in with W&M credentials to access.

## Withdrawal Schedule and Refunds

### Full-time Students Who Withdraw from the university Fall/Spring Semesters

Full-time students who withdraw from the university are charged a percentage of the tuition and fees based on the school week within which the withdrawal occurs. A school week is defined as the period beginning on Monday and ending on the succeeding Sunday. The first school week of a semester is defined as that week within which classes begin. Full-time students who withdraw from the university within the first school week of the semester are eligible for a refund of all payments for tuition and fees less the required enrollment deposit for entering students. After week 1 of the semester, the amount of the tuition and fees charged / refunded will be determined based on the following schedule:

| Week         | Percentage Charged | Percentage Refunded |
|--------------|--------------------|---------------------|
| 1            | 0%                 | 100%                |
| 2            | 20%                | 80%                 |
| 3            | 30%                | 70%                 |
| 4            | 40%                | 60%                 |
| 5            | 50%                | 50%                 |
| 6            | 60%                | 40%                 |
| After week 6 | 100%               | 0%                  |

Students will not be eligible for any refund of tuition and general fees if required to withdraw by the university.

**Please visit Registration and Withdrawal, Withdrawal from the University for instructions on the withdrawal process.**

**Refund of the room rent will be prorated based on the date the resident officially checks out of the room with required paperwork completed by a Residence Life staff member. Meal plan refunds are calculated based on the time on the plan, not the usage. For meal plan changes outside the eligible selection period, the student is charged a \$25 processing fee and the semester of the new plan as they will have full use. Dining Dollars will adjust based on usage. If a meal plan is dropped without adding a new one, charges are calculated on a daily rate based on the time on the plan, not the usage. Failure to make payment when due may result in penalties, including a hold/block on registration and/or transcripts.**

Overpayments on the student account created by federal loans or grants will be automatically refunded following federal guidelines. (Within 14 business days after fund disbursement).

Overpayments created by Parent Plus Loans will be refunded to the parent unless the parent designates the student as the recipient during the loan application process.

If an overpayment shows on a student’s account and it is not created by federal financial aid, the student is required to request a refund (<https://www.wm.edu/offices/financialoperations/sa/refunds/>) from the Bursar’s Office. If a request is not filed, the overpayment will remain on the student’s account as a credit for the next semester or to offset additional charges which the student incurs.

Refunds for overpayments are issued as:

1. Direct deposit to your bank account if you have signed up for eRefund via eServices
2. A paper check mailed in the following address priority;
  - CSU or GSH Box
  - Local Address
  - Permanent Mailing Address

Paper checks are issued to the most current address in Banner. It is the responsibility of the student to update their addresses by logging into Banner self-service.

For students paying through the tuition payment plan, all refunds will be determined by comparing the amount eligible for refunding to the total monthly payments made to date. Any outstanding amounts owed the university for tuition, general fees, dormitory fees or meal plan charges after deducting the eligible refund will be due immediately upon withdrawal.

It is university policy to hold the enrolled student liable for charges incurred, therefore in the case of refunding any overpayment, refund

checks will be issued in the name of the student. Students who have received financial aid may be responsible for repaying those funds (see Withdrawal Schedule for repayment schedule).

## Flexible Degree Track Students who withdraw from the university

Flex Track students who withdraw from the university within the first school week of the semester are eligible for a full refund of tuition and fees. After the first week, the amount of the tuition and fees to be charged will follow the full-time withdrawal schedule.

*Students will not be eligible for any refund of tuition if required to withdraw from the university.*

## Flexible Degree Track Students who withdraw from a course

A Flex Track student who withdraws from a course after the add/drop period and remains registered for other academic work will not be eligible for a refund.

## Summer Sessions

Students who drop their course(s) during the session drop/add period will not be assessed any tuition for the course(s). Students who withdraw from a course or courses after the add/drop period for the course session will not be eligible for any adjustment of tuition and fees.

## Study Abroad Programs

Please contact the Global Education Office at [wmabroad@wm.edu](mailto:wmabroad@wm.edu) or 757-221-3594 to inquire about summer session refunds.

## Special Fees Refunds

Fees for special courses are determined by the demand and arrangements, which are necessary to support such courses. Classes carrying fees have a notation in Banner Self-Service, "Additional Fees" and the amount of the fee can be seen in the Class Detail screen for each section.

**Special fees are non-refundable.**

## Withdrawal and Refunds for Students Called to Active Duty

The Office of Student Success assists students called to active duty during or between semesters, or prior to matriculation at the university. A description of the options available and the tuition refund policy can be found at <https://www.wm.edu/offices/studentssuccess/>.

## Title IV (R2T4) Policy

### Withdrawing from College with federal aid

The return of Title IV funds for students with Title IV Federal Aid (Federal PELL, Direct Federal Subsidized and Unsubsidized Loans, Federal SEOG, Federal Work Study, Federal Perkins, Direct Federal PLUS, and Grad PLUS) who withdraw from school will be calculated in compliance with Federal regulations. A statutory schedule is used to determine the amount of Title IV funds a student has earned as of the date the student withdraws or ceases attendance. Please be advised that the Federal return of funds calculation (R2T4) has a different percent of attendance schedule than the university's withdrawal policy. These funds must be returned even if William & Mary provides no refund to the student. This means the student could owe the university and/or the U.S. Department of Education a significant amount of money.

If a student withdraws from college prior to completing 60% of a semester, the Financial Aid Office must recalculate the student's eligibility for all funds received, including Title IV funds. Students subject to this calculation are identified throughout the semester. The R2T4 calculation is processed by the Office of Financial Aid and any Title IV funds needing to be returned are done so no later than 45 days after determining the student has withdrawn. Recalculation is based on a percent of earned aid using the following Federal Return of Title IV funds formula:

*Percent of aid earned = the number of days completed up to the withdrawal date, divided by the total days in the semester. (Any break of five days or more is not counted as part of the days in the semester.)*

For Title IV purposes, the withdrawal date will be the date of notification of intent to withdraw, which may be earlier than the withdrawal date for the purpose of tuition reimbursement. If a student does not formally withdraw but ceases to attend classes, the withdrawal date for R2T4 purposes will be the mid-point of the semester.

Funds are returned to the appropriate federal aid program based on the percent of unearned aid using the following formula:

**Aid to be returned** = (100% minus the percent earned) multiplied by the amount of aid disbursed toward institutional charges.

Keep in mind that, when funds are returned, the student borrower may owe a balance to the university. If that is the case, the student should contact the Student Accounts/Bursars Office to make payment arrangements. If after the Return to Title IV funds and the institutional refund calculations are applied to the student's account and a credit balance results, the credit balance will be disbursed as soon as possible but no later than 14 days after the date of the Return to Title IV calculation is performed.

If the student did not receive all the funds that were earned prior to withdrawing, a post-withdrawal disbursement may be due. If the post-withdrawal disbursement includes loan funds, the student must give permission before the funds can be disbursed. Permission is required to use the post-withdrawal grant disbursement for all other school charges. Students will be notified of post-withdrawal disbursement eligibility.

**The return of Title IV aid is in the following order:**

- Unsubsidized Direct Loans
- Subsidized Direct Loans
- Direct Parent PLUS Loans
- Federal Pell Grants
- TEACH Grants

### Example of Return of Funds Calculation

#### Example 1: Out of state student who lives on campus

- Institutional Charges**
- Tuition \$ 23,362
  - Housing \$ 5,200
  - Meal Plan \$ 3,365
  - **Total - \$ 34,927**

**Financial Aid Package**

- Pell Grant \$ 2,523
- Direct Subsidized Loan \$ 2,271
- Direct Unsubsidized Loan \$ 900
- Parent Plus Loan \$ 13,784
- Institutional Grant - \$ 10,000

The student withdraws on March 4th, which is day 43 out of 103 in the Spring semester ( $43/103 = 41.74\%$  of Title IV funds earned by the student and 58.3% unearned).

Federal Title IV funds = \$ 20,018 (\$ 2,523 Pell + \$ 2,271 Direct Subsidized Loan + \$ 990 Direct Unsubsidized Loan + \$13,784 Parent Plus Loan).

$\$ 20,018 \times 41.7\% = \$ 8,347.51$  of earned Title IV funds.

The remainder of funds unearned  $\$ 20,018 - \$ 8,347.51 = \$ 11,670.49$  will be returned to Federal programs.

When R2T4 is applied, the following funds must be returned to the Federal programs in this order:

- Direct Unsubsidized Loan - \$ 2,271
- Direct Subsidized Loan - \$ 990
- Parent Plus Loan - \$ 7,959
- **Total** - \$ 11,670

Additionally, the student received institutional aid of \$ 10,000.00 and the institutional tuition refund time frame is 40%. The earned calculation for the institutional grant =  $\$ 10,000 \times 60\% = \$ 6,000$  therefore the remaining \$4,000 in institutional aid will be returned in addition to the student's federal aid calculation.

NOTE: Students receiving federal aid must have the federal refund calculation applied to comply with federal regulations. Institutional aid for undergraduate students will follow the tuition refund schedule as a basis for calculation for the return of institutional aid.

**Example 2: In state student Institutional Charges**

Tuition \$ 13,228

**Financial Aid Package**

Direct Subsidized Loan \$ 1,237  
Direct Unsubsidized Loan \$ 1,485  
Parent Plus Loan \$ 7,931

The student withdraws on September 10th which is day 15 out of 107 in the Fall semester ( $15/107 = 14\%$  of Title IV funds earned by the student and 86% unearned aid).

Federal Title IV funds = \$ 10,653 (\$ 1,237 Subsidized Direct Loan+ \$ 1,485 Unsubsidized Direct Loan + \$ 7,931 Parent Plus Loan).

$\$ 10,653 \times 14\% = \$ 1,491.42$  of earned Title IV funds.

The remainder of funds unearned  $\$ 10,653 - \$ 1,491.42 = \$ 9,162$  will be returned to the Federal programs.

When R2T4 is applied, the following funds must be returned to the Federal programs in this order:

Direct Unsubsidized Loan - \$ 1,485  
Direct Subsidized Loan - \$ 1,237  
Parent Plus Loan - \$ 6,440

TOTAL - \$ 9,162

**Eligibility for In-State Tuition Rate**

To be eligible for in-state tuition, a student must meet the statutory test for domicile as set forth in Section 23-7.4 of the Code of Virginia. Domicile is a technical legal concept. In general, to establish domicile, students must be able to prove permanent residency in Virginia for at least one continuous year immediately the first official day of classes, and intend to remain in Virginia indefinitely after graduation. Residence in Virginia for the primary purpose of attending college does not provide eligibility for in-state tuition. Applicants seeking in-state status must complete and submit the "Application for Virginia In-State Tuition Privileges" by the first day of classes of the semester for which In-state eligibility is sought. The application is evaluated and the student is notified in writing if the request for in-state tuition is denied.

Under Virginia law, students under age 24 are rebuttably presumed to be dependent on a parent/guardian, and, unless an exception is identified, the parent/guardian's domicile status determines the student's tuition rate.

Special rules apply (<https://www.wm.edu/offices/registrar/student-records/in-state-residency/#special-circumstances>) and support is available to non-U.S. citizens and their families; contact the University Registrar's Office for details or visit [www.wm.edu/registrar](http://www.wm.edu/registrar) (<https://www.wm.edu/offices/registrar/>).

A matriculating student whose domicile has changed may request reclassification from out-of-state to in-state. Students seeking reclassification must complete and submit the "Application for Virginia In-State Tuition Privileges" to the Office of the University Registrar. The Office of the University Registrar evaluates the application and notifies the student only if the request for in-state tuition is denied. Any student may submit in writing an appeal to the decision made, however, a change in classification will only be made when justified by clear and convincing evidence. All questions about eligibility for domiciliary status should be addressed to the Office of the University Registrar, (757) 221-2808.

In determining domicile, the school will consider the following factors for the student and parent/guardian/spouse:

- Citizenship status
- Residence during the year prior to the first official day of classes
- Employment
- Property ownership
- Sources of financial support
- State to which income taxes are filed or paid
- Location of checking or passbook savings
- Social or economic ties with Virginia
- Driver's license
- Motor vehicle registration Voter registration

**Credit Hour Surcharge**

Undergraduate students who qualify for in-state tuition privileges must pay a surcharge (generally calculated at out-of-state tuition rates) for courses taken after completion of 125% of the credit hours required for the degree. For example, for a bachelor's degree requiring 120 credit hours, this would mean that any credits taken beyond 150 (or 125% of 120) would be charged at the out-of-state rate. Certain exceptions apply, including AP/IB credits and dual enrollment; see Section 23-7.4: F of the Code of Virginia for more information.

## Veteran, Active-Duty, and Military Dependent Students

Veteran, active-duty, and military dependent students may qualify for Virginia domicile through the processes outlined above; additional opportunities (<https://www.wm.edu/offices/registrar/studentsandalumni/militaryandveterans/veterandomicile/>) are also provided through state and federal code and regulation. Under the Veterans Access, Choice, and Accountability Act of 2014, the following individuals shall be charged the in-state rate, or otherwise considered a resident, for tuition purposes:

- A veteran using educational assistance under either Chapter 30 (Montgomery G.I. Bill® -Active Duty Program) or Chapter 33 (Post-9/11 G.I. Bill), of Title 38, United States Code, who lives in the Commonwealth of Virginia while attending a school located in the Commonwealth of Virginia (regardless of their formal state of residence).
- Anyone using transferred Post-9/11 GI Bill benefits who lives in the state where the Institution of Higher Learning (IHL) is located, and the transferor is a member of the uniformed service serving on active duty.
- A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship (38 U.S.C. § 3311(b)(9) who lives in the Commonwealth of Virginia while attending a school located in the Commonwealth of Virginia (regardless of their formal state of residence).
- A spouse or child using benefits under Survivors' and Dependents' Education Assistance (Chapter 35) living in the Commonwealth of Virginia while attending a school located in the Commonwealth of Virginia (regardless of their formal state of residence).
- An individual using educational assistance under chapter 31, Veteran Readiness and Employment (VR&E) who lives in the Commonwealth of Virginia while attending a school located in the Commonwealth of Virginia (regardless of their formal state of residence) effective for courses, semesters, or terms beginning after March 1, 2019
- Anyone described above remains continuously enrolled (other than during regularly scheduled breaks between courses, semesters, or terms) at the same institution. Therefore, the described person must be enrolled in the institution and use educational benefits under Chapters 30, 31, 33 or 35 of Title 38, United States Code.

The policy shall be read to be amended as necessary to be compliant with the requirements of 38 U.S.C. Section 3679(c) as amended. GI Bill® is a registered trademark of the U.S Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Website at <http://www.benefits.va.gov/gibill>.

## Meal Plans

William & Mary Dining Services provides a comprehensive dining program featuring a variety of meal plan options to meet the needs of each student. The two residential dining facilities on campus provide anytime dining, while numerous retail options in Campus Center, Sadler Center, Swem Library, Integrated Science Center, the Law School, the School of Business, Domino's Pizza Delivery, Chick-fil-A at Tribe Square, The Bake Shop, Williamsburg Farmer's Market as well as Athletic Concessions and campus convenience stores provide traditional pay-as-you-go options.

William & Mary Dining Services offers students a total of five meal plans to choose from. The All Access Plan provides unlimited access to the two residential dining facilities and the Block 125, Block 100, Block 50 and Block 25 provide a specific number of times a student can swipe into residential dining locations. Dining Dollars provide flexibility and convenience at retail locations and the amount of Dining Dollars varies according to the meal plan selected. Additional Dining Dollars may be purchased in increments of \$10 and added to your meal plan at any time during the semester.

The university requires that all undergraduate students residing in a campus-managed property purchase a meal plan. Meal plan eligibility is determined by social class (<https://www.wm.edu/as/undergraduate/academic-resources/glossary/>) and in some cases, residence location. Residential undergraduate students are automatically enrolled in the All Access plan and residential Juniors and Seniors can change to the Block 125 or the Block 100. Undergraduate students residing in Ludwell, Tribe Square and the Grad Complex can select from any available meal plan, including the Block 50 and Block 25. Students may make one allowable change by visiting [tribecard.wm.edu](http://tribecard.wm.edu) until the Friday after classes begin. Meal plans selected in the Fall automatically roll over to the Spring semester. Allowable changes after the enrollment period may be made by contacting [dining@wm.edu](mailto:dining@wm.edu) and may incur additional fees. The process for requesting an accommodation to the meal plan requirement is outlined at <https://www.wm.edu/offices/auxiliary/dining/>. All meal plans are non-transferable and are intended for individual use only. For additional information about meal plans, including the complete policy, visit <https://www.wm.edu/offices/auxiliary/dining/>.

## William & Mary Student Tribe Card

The William & Mary Tribe Card is the University's official card prepared by **Tribe Card Services** for each student. Available as a mobile credential in your device wallet or a physical card, it functions as a campus meal card, library card, an entry or access card to residence halls, recreational facilities, academic buildings, and the Student Health Center. Student Tribe Cards, both mobile credential and physical card, are not transferable and are intended for the sole use of the student to whom it is issued. Usage is limited to William & Mary, VIMS, and authorized programs. The Tribe Card is not to be used for legal purposes outside the University. Because cards provide access to secured buildings and financial accounts, lost cards should be deactivated immediately via [tribecard.wm.edu](http://tribecard.wm.edu). If the lost card cannot be deactivated, it can be reported to Tribe Card Services during business hours or to Campus Police evenings and weekends. This process also ensures that misplaced cards cannot be used by others. A \$23 charge is assessed for lost, worn or damaged physical cards. Students who move out of campus housing and remain enrolled at the university will not be eligible for residence hall fee refunds unless granted a contract release by Residence Life.

Requests are considered on a case-by-case basis and release is not guaranteed. If a contract release is approved, the student may receive a refund as outlined per the Withdrawal Schedule and

## Financial Penalties

Failure to pay in full by the established due date(s) may result in the assessment of late fees/penalties in an amount up to 10% of the outstanding account balance. Semester payment due dates are established by the Office of the Bursar. For students electing to pay tuition and fees through the tuition payment plan, the payment due date is the first of each month beginning in August for the fall semester and January for the spring semester as detailed in the payment plan enrollment information. Failure to pay by the established due date(s) may result in late fees, referral to University Collections and Receivables, and/or referral to an outside collection agency.

### Delinquent Accounts

An account is considered delinquent when payment has not been received by the payment due date. Once your account is considered delinquent with the university, we are required by the Commonwealth of Virginia to send your account to either a private Collection Agency or the Office of the Attorney General depending on the dollar amount past due.

If your account has been sent to a Collection Agency (all accounts receivable under \$10,000.00), the following events will occur until you have paid the Collection Agency in full:

- Addition of collection costs up to 25%;
- Submission of your account to the Department of Taxation pursuant to the Setoff Debt Collection Act;
- Reporting of your account to all Major Credit Bureaus; and
- Placement of a hold on your William & Mary account making you ineligible for any services from the university such as registration for classes, official transcripts, or a diploma.

If your account has been sent to the Office of the Attorney General (all accounts receivable \$10,000.00 and greater), the following events will occur until you have paid the Office of the Attorney General in full:

- Imposition of interest accrual at six percent per annum from (date of initial pre-delinquency invoice or demand letter);
- Addition of up to 30% attorney's fees to your account balance;
- Submission of your account to the Department of Taxation pursuant to the Setoff Debt Collection Act; and
- Placement of a hold on your William & Mary account making you ineligible for any services from the university such as registration for classes, official transcripts, or a diploma.

### Returned Check Fee

The return of a check issued to the College of William & Mary will result in a \$50.00 returned check fee being placed on the account of the student on whose behalf the check was presented for each returned check no matter the reason. Each account will be allowed two (2) returned checks after which payment by check will not be accepted. Written notification/email on how to resolve the returned check(s) will be sent to the person whose account was affected and/or the maker of the check.

A hold will be placed on the account affected, until the returned check has been redeemed (made good). If the returned check(s) have not been redeemed by the deadline, an additional 10% (up to \$250.00) late fee will be levied, and the university will begin its collection proceedings as stated within the guidelines of the Department of Accounts, Commonwealth of Virginia.

**Important Note:** A returned check may automatically result in a hold on the account affected, which may preclude participation in any or all of the following activities: further check writing privileges, class registration, receipt of grades, issuing transcripts, and/or diplomas.

### Returned Electronic Payment Policy

Payments made online through eServices by credit card and/or echeck which are returned for any reason will result in a \$50.00 returned payment charge being assessed on the student's account at the university.

A hold will be placed on the account affected, until the returned check has been redeemed (made good). If the returned check(s) have not been redeemed by the deadline, an additional 10% (up to \$250.00) late fee will be levied, and the university will begin its collection proceedings as stated within the guidelines of the Department of Accounts, Commonwealth of Virginia.
